

RAJKUMAR ARYAL

FULL STACK WEBSITE DEVELOPER

PROFILE INFO

As a full stack website developer, I am passionate about designing, developing, and implementing web applications that are both functional and aesthetically pleasing. With 3 years of experience in software development, I have honed my skills in a range of programming languages, frameworks, and platforms. I am highly skilled in front-end technologies such as HTML, CSS, and JavaScript, as well as back-end technologies such as Node.js, Express, and MongoDB. I am a detail-oriented problem solver who enjoys collaborating with cross-functional teams to deliver high-quality software solutions that meet and exceed client expectations. My goal is to utilize my skills and experience to contribute to the success of a dynamic and innovative team, and to continue to grow and develop my expertise in the field of web development.
